We have an average of twelve dreams a night, allowing our brain to rid us of all the day's stress. Fuelled by our desires and passions, these dreams take us on journeys, offering the experience of unique sensations from the comfort of our homes.

We can dream of flying, breathing in pure, uncontaminated air; of standing amid desert dunes at dawn; of going on a road trip through the mountains; or of simply having a coffee with a long-lost friend.

Dreamy collection brings all these sensations to home.

#### TO THE HOME OF OUR DREAMS

Tenemos una media de doce sueños cada noche. Gracias a ellos, nuestro cerebro es capaz de liberarnos de las tensiones diarias. Pero son estos mismos sueños los que, impulsados por nuestros deseos y pasiones, nos guían haciéndonos viajar y experimentar sensaciones únicas desde la comodidad de nuestro hogar.

Podemos soñar que volamos y respiramos aire puro, que nos despertamos en medio de las dunas de un desierto al amanecer, que viajamos por una carretera entre grandes montañas, o simplemente que tomamos un café con ese amigo al que llevamos tiempo sin ver.

Dreamy nos acerca todas estas sensaciones a casa.

#### A LA CASA DE NUESTROS SUEÑOS

*All in One finish*

Product innovation takes us to a new **ALL IN ONE** concept.

Now we can use a single surface for several applications both inside and outside a project. Softness and anti-slip are unified to create greater aesthetic continuity in the spaces. Its easy cleaning is a great advantage in areas where a rough non-slip product makes the task difficult.

We simplify the product offer to improve the practicality of our customers.

La innovación nos traslada a un nuevo concepto **ALL IN ONE**.

Ahora podemos utilizar una superficie única, para varias aplicaciones tanto en el interior como en el exterior de un proyecto. La suavidad y el antideslizamiento se unifican para poder crear mayor continuidad estética en los espacios. Su fácil limpieza es una gran ventaja en zonas donde un producto antideslizante rugoso, dificulta la tarea.

Simplificamos la oferta de producto para mejorar la practicidad de nuestros clientes.

**Dreaming of flying and experiencing true freedom.**

Through the sensations that we experience in our dreams, we can relax, disconnect from life and live out our innermost desires.

In the home, we seek to create living spaces that offer restful tranquillity, where the textures and colours reflect our most exclusive, sophisticated persona.

On this occasion, Cloud represents white's dazzling purity, intermixed with stone conglomerates for an added sense of depth through its rich veined pattern.

**Soñar que volamos y sentirnos libres.**

Sensaciones que experimentamos en los sueños, y que nos permiten desconectar y relajarnos a través de nuestros deseos más profundos.

En el hogar buscamos crear espacios que nos permitan encontrar la calma donde las texturas y los colores evoquen nuestra naturaleza más exclusiva y sofisticada.

En esta ocasión, el color Cloud representa la pureza del blanco entremezclado con conglomerados pétreos que le aportan profundidad en su rico vetado.

**Just imagine desert dunes at dawn.**

Experience the magic of waking amid desert dunes or of sipping a glass of tea as you recline in a Bedouin tent.

Materials and décor in earthy shades are all the rage, eliciting a feeling of being at one with the world.

If warmth is a key factor in your idea of a home, then Desert is the colour for you. Its luminosity and unique design bring a touch of distinction to living spaces, triggering a sense of wellbeing.

**Imaginar las cálidas dunas del desierto al amanecer.**

Podemos sentir la magia de un despertar en las dunas del desierto, o la sensación de saborear un té tumbados en una haima.

Las tendencias del momento apuestan por materiales y decoración en tonos tierra, precisamente para acercarnos a estas sensaciones de conexión y pertenencia.

Si valoramos la calidez como aspecto clave para sentirnos bien en nuestro hogar, sin duda el color Desert es nuestro elegido. Su cuidada luminosidad y su particular diseño gráfico, nos aporta bienestar y distinción a los espacios.
